Please attach a one-page document that answers the following questions:

1. How do you anticipate that a Science Research Fellowship will affect your teaching?
2. What current or future planned school projects would be enhanced by your participation in a Science Research Fellowship?
3. What are your personal goals and objectives for participating in a Science Research Fellowship, specifically which area of science, engineering or math are you interested in working?
4. What knowledge and skills would you like to enhance and/or acquire?
5. After completion of the Fellowship experience, how do you intend to share what you learned with others?

Please email you application to Matt Nyman mwnyman@unm.edu or mail to
